Our office is located on the ground floor on the rue de la Digue side, at the back of the building.

It is indicated by "Safety Passport" billboards.

Vehicle parking is only allowed along rue de la Digue or rue des Métiers. Vehicles are not allowed to enter indoor car parks.

The test for the safety passport is only available by appointment by sending an email to ld.safety.passport@libertysteelgroup.com.

The instructions, standards and safety rules on which the examination is based can be found on our website in the documentation.

We thank the persons concerned for preparing for the test, presenting themselves alone and with their identity card.
